

SPECIAL SERVICES FOR MEMORIAL DAY

HOMER MAN TAKES OWN LIFE

Raymond Eichelberger, 41, of East 7th street, Homer township died in Silver Cross hospital Sunday evening, the result of a self-inflicted bullet wound.

He had returned from Lockport Sunday about noon and frightened his wife and children by quarrelling with them. His wife succeeded in having him go out on the kitchen porch, following which she locked the door. In a few minutes a shot was heard and Mrs. Eichelberger rushed to him and found him unconscious. Neighbors were called and also Dr. Harold Henke of Lockport. He was removed to the hospital where a brain specialist from Chicago operated to try to remove the bullet from his head, but he passed away in a short time.

Mr. Eichelberger had lived in the Joliet area all his life and while he and his family lived in Joliet, their two daughters, Judy, 6, and Ruth Alice, 7, were killed as they were walking on a railroad trestle over Hickory creek near Chicago street when returning home from school. An other tragedy occurred to Mr. Eichelberger when his nephew, age 8, was killed last September when chasing a ball on Route 66 in the path of an oncoming car.

Surviving besides his wife Dorothy are five children, Donald, Linda, Joyce, Jack and David; his parents, Mr. and Mrs. Ezra Eichelberger and a brother Lloyd of DuPage; two sisters, Mrs. Walter Kolar of Homer and Mrs. Lawrence Williams of St. Louis, Mo.

Funeral services were held in the Goodale funeral home in Lockport Wednesday with Rev. Robert Mulligan of the Richard Street Methodist church, Joliet, officiating. Burial was made in Elmhurst cemetery, Joliet.

Rosemary Shields Of New Lenox to Wed. Wis. Man

Announcement has been made by Mr. and Mrs. Christopher Shields, of the engagement and forthcoming marriage of their daughter Rosemary G. to Richard M. Hubbell, son of Mr. and Mrs. P. J. Hubbell of Sparta, Wis.

The couple will be married June 6 at 10 a.m. in St. Jude's Catholic church, New Lenox. Rev. Denis Hall will officiate. A reception will be held from 2 until 4:30 o'clock that afternoon in the Shields home. No invitations have been issued, but all relatives and friends are invited to attend both the wedding and the reception.

The bride to be was graduated from Joliet township high school and is employed in the office of the General Mills company in Chicago. The prospective bridegroom, a graduate of Sparta High school and Columbia Radio school is a radio announcer on Station WKLV in Sparta.

Zoning Committee To Consider Rezone Of Farming Area

The Will county zoning committee consisting of Elmer Cooper, of Mokena, chairman, Sheldon Hauck, New Lenox, Roy Robinson, Joliet, Walter Scoop, Wheatland, and Mr. Saxton, Plainfield, will meet Monday evening, June 1, at 6:15 o'clock in the Rock Island depot in New Lenox. At that time they will consider the request of Frank Hedgcock, of Joliet who is seeking to rezone a farm area on the west of New Lenox to business purposes. It comprises 14 acres and is in the unincorporated section. A shopping center is considered as a possibility for this area.

The zoning board will meet at Manhattan at 7 p.m. the same evening to consider the request of Werner Kreimeier, who is seeking to zone a piece of land for a trailer court on the west side of Route 52, just north of Manhattan.

St. Mary's School Drive Brings \$1700

Father Juniper Freitag, pastor of St. Mary's church in Mokena, announced during the service last Sunday morning that the drive for the first month for their parochial school netted \$1700.

An auction sale will be held in St. Mary's hall June 6, with Mr. Hoolihan and Mr. Olsen in charge. A potluck supper will follow the auction. Serving will start at 8 p.m. Everybody is invited.

Best Wishes, Graduates!

With eyes clearly focused on the Future, with feet standing firmly in the Present, with hearts revering America's great traditions of the Past—may the members of the Class of '53 bring joy to parents, pride to teachers, honor to nation, and fulfillment to themselves.

Break Ground for Mokena's Methodist Church Chapel

Following the service Sunday morning, May 17, Rev. Ronald Hartung, pastor of the Mokena Methodist church, dug the first spadeful of earth in a groundbreaking ceremony for the foundation and basement for the chapel which is to be added to the present structure. Inasmuch as the congregation does not wish to go into debt, the remodeling will go to Aberdeen, S. D. where he will attend the South Dakota Conference of the Methodist church, to be ordained an elder in the Conference. After the ordination he will be a full member of the conference.

Following the conference he will return for his graduation at the Garrett Biblical Institute in Evanston, where he has been attending for the past three and a half years, doing graduate work. Baccalaureate for his class at Garrett will be June 1, and commencement will be June 15 at 2 o'clock. This will be a special commencement, because it will be the centennial of the Garrett Biblical Institute. There are about 1200 students in Rev. Hartung's class.

Rev. Hartung came to Mokena from South Dakota, and will now return there to serve his own locality. Following his graduation he will return at once to Gary, S. D. where he and his wife will live. He will be pastor of the Methodist church at Gary, S. D. as well as pastor of the church at Clear Lake. He will take up his ministerial duties in South Dakota June 21.

Mr. Hartung's parents, Mr. and Mrs. C. Howard Hartung live at Brookings, S. D. where his father is a grain dealer. Rev. Hartung came to the Mokena Methodist church as a student pastor July 1, 1951. The Rock River Conference will be held at Sterling, Ill. June 22. Until that conference the Methodist pulpit in Mokena will be filled by substitute pastors from week to week.

Mrs. Hartung, the pastor's wife, has been a conference youth director in the Rock River conference, and has had supervision of 387 youth programs. She is at present visiting with her parents in Louisiana.

Last Saturday evening a farewell for Rev. and Mrs. Hartung was held at the church under the auspices of the youth fellowship. It was in the form of a potluck dinner, and at the program which followed the potluck the Youth Fellowship presented an altar scarf to the church and the Methodist Men presented new offering plates. These were received by Rev. Hartung and dedicated.

On this occasion the MYF presented a purse of money to Mr. Hartung as a parting gift. His many friends here wish both he and his wife much joy and success in their new field.

Mrs. Anna Kolber, Formerly of Mokena, Dies in Montreal

Mokena friends received word Saturday of the death of Mrs. Anna Kolber, a former resident of Mokena. Mrs. Kolber died in the home of her son, Leon, in Montreal, Thursday.

Thirty-five years ago Mrs. Kolber and her husband, David, opened a hardware store in Mokena, on the corner of Front and Mokena streets.

Mrs. Kolber continued living here for a few years, after which she made her home with her son. Leon accompanied the remains of his mother here. Funeral services were held Sunday afternoon in the Fred Dames Funeral Home in Joliet, with Rabbi M. M. Hershman officiating. Among the pall bearers were Everett Cooper of Mokena, a childhood friend of Leon.

Burial was made in Mt. Moriah cemetery.

Surviving in addition to her son, are a brother, Joseph Weitzenfeld, of Los Angeles and two grandchildren.

Leon will remain in the home of his cousin Myra, in Chicago for about a week.

Two Mokena Girls to Join Silver Cross School of Nursing

Two Mokena girls, Doris Cummons, and Rita Werner, have been accepted by Silver Cross School of Nursing, Joliet, for the class which will enter on September 2, Miss Adeline M. Jorstad, director, announced today. Both will graduate from Joliet township high school this June.

Among 30 girls who will receive diplomas at commencement exercises to be held on Thursday evening, June 11 at the Richards Street Methodist church, is former Mokena girl, Carole Carpenter. Mrs. Florence Finette chairman, department of nursing education, DePaul University, will be the speaker at commencement, talking on What Society Expects of the Nurse.

Baccalaureate services will be held at the First Presbyterian church on Sunday evening, June 7.

Twenty-nine girls who took tests in March and early April have already been accepted for the fall class, according to Miss Jorstad, who announced that a final pre-entrance test would be held on June 10.

Clinton F. Smith, superintendent of Silver Cross hospital stated that in view of the nursing shortage several groups in offered scholarships, so that every qualified girl who wishes to enter nurse training would have the opportunity to do so.

TONY QUALIFIES FOR AUTO RACE MEMORIAL DAY

Tony Bettenhausen of Tinley Park, well known auto racer, who was the 1951 AAA champion, was the second driver to qualify for the Memorial Day 500 mile auto race at Indianapolis Speedway. He made this qualification on May 17, with an average speed of 136.026 m.p.h. Because of winning this qualification Tony has been placed in the sixth position in the second row on the outside.

The car he drove in the qualification trial was the same one driven by Tony Rutman last year, and is called "Agajanian Special."

This will be the 13th year that Tony has been in this Indianapolis Memorial Day classic. His friends are all pulling for him, and hope he will be able to bring a winner to Tinley Park. Tony has been down there, practicing and getting in shape for the past several weeks. He is one of the proprietors of the Bettenhausen & Schlueter Motor Sales, dealers for Chrysler in Tinley Park, where he has many of his trophies on display.

William Clay Ford, a director of Ford Motor Co. and grandson of the late Henry Ford, will drive a 1953 Ford Sunliner convertible to pace the automobile race at Motor Speedway May 30.

event, the Mokena Boy Scouts of Troop 40 have volunteered to clear away some underbrush in the timberland Friday afternoon.

FRANKFORT MEMORIAL DAY SERVICES

The annual Memorial Day services for the village of Frankfort will be held Saturday, May 30, starting at 1:30 p.m. at the school. This is being sponsored by the Bobzin-Swinford American Legion post.

From the school the line of march will proceed to the village hall, where the Legion will post their colors and a wreath will be placed at the service-men's markers. There, following a short service, Rev. David Munson will offer a prayer.

From there they will proceed to Pleasant Hill cemetery, where the school children will decorate the soldiers' graves. A salute will be fired and taps will be played. They will then return to the school, where a short program will be given in the school gym.

The program will consist of songs by the school children and a talk. Speaker will be Col. Charles Schwab, of the U. S. Army Reserves at Joliet.

Mokena Couple Honor Parents at Golden Anniversary

Mr. and Mrs. Lyman Teague of Mokena attended the golden wedding anniversary of his parents last Friday evening. The celebration was held in the Union ave. Community church in Chicago, with a large group in attendance, some of whom came a great distance to congratulate the honored couple.

This was also the occasion of a family get together, as their son, Rev. Louis T. and family of Lancaster, N. Y., came, and also their daughter and husband, Rev. and Mrs. James Burkham of Canyon, Texas. Another daughter, Mr. and Mrs. LeRoy Hurling, of Chicago, also was present.

A bountiful buffet dinner was served around 8 p.m. and under the direction of Mr. Hurling, a most pleasant program was given. It was a takeoff on the television show, "This is Your Life", which was cleverly arranged by Mr. Harting. It portrayed how Mr. Teague, who is now 73, first came to Chicago from Covington, Ohio to help build Chicago's first World's Fair. Mrs. Teague, 71, came to Chicago with her family from their home in Toronto, Canada. They met and were married in Chicago May 21, 1903. After working 35 years as a printer for the American Tag Co., Mr. Teague retired 10 years ago, but as idleness irked him, he found a position as shipping clerk for the American Bible Society.

Both are well and very busy all the time. There were many beautiful flowers and the honored couple received many fine gifts in recognition of the occasion.

Mokena Youth Fined \$200 for Disorderly Conduct; Is Jailed

Don Stauffer, 21, of Mokena alleged leader of a group of teenage youths who were creating a disturbance in Mokena a little after midnight Friday morning was arrested on a disorderly conduct charge and held in the county jail pending his trial Friday. He was fined \$200 and costs Friday afternoon by Justice of Peace George Williams. Half the fine was suspended, however, on recommendation of Luke Fallinske, of the States attorney's office, but will be reinstated if arrested the second time for the same offense.

Unable to pay the \$100 and the \$15 costs imposed, Stauffer was confined to the county jail until such time as the fine is paid or the time served.

Warrant for the youth's arrest was signed by John Scarth, mayor of Mokena.

Homer Couple to Celebrate Their 50th Anniversary

NNB OP Homer couple (4Liu Mr. and Mrs. William C. Kaste, 159th street, Homer, will celebrate their 50th wedding anniversary at an open house, Sunday, June 7 from 2 to 5 p.m. in the home of their son, Albert at Geneva.

Mrs. Kaste was a native of Schumburg, Ill. and the couple began married life farming in that area. They later moved to Chicago, then returned to farming in Worth and a few years ago purchased a home at 159th and Homer road where they now reside.

Two sons and their wives, three daughters with their husbands and 12 grandchildren will be at the celebration.

Rest in peace, ye Flander's dead,
The fight that ye so bravely led
We've taken up,
And we will keep.
To face with you who lie asleep
With each a cross to mark his bed,
Where once his own life blood ran red;
Let your rest be sweet and deep
In Flander's Field.
Fear not that ye have died for naught,
The torch ye threw, to us we caught,
Ten million hands will hold it high,
And freedom's light shall never die!
We've learned the lesson that ye taught,
In Flander's Field,

The ceremony is being sponsored by the citizens of Lincoln Estates, in memory of two soldiers who made the supreme sacrifice since World War II, one by the name of Hendrickson and the other Corp. Joseph Highley, who was killed in Korea.

The ceremony will be in recognition of the two names that have been added to the plaque since the ones inscribed after World War II. Citizens are requested to meet at the Anr Rutledge school and march a short distance to the plaque.

Boy Scouts will be in the parade, together with the Drum and Bugle Corps of William Martin Post VFW 725, Mokena.

Rev. Arthur Contois will speak. There will also be a flag raising ceremony.

Hurt in Automobile Accident in Mokena

An auto accident occurred in Mokena late Monday afternoon when two cars collided at the corner of Mokena and First street. Mr. and Mrs. Edward Schmaedeke, of Orland Park, were driving east on First street. As he approached Mokena street, Mr. Schmaedeke, who was driving, slowed down because of two children on bicycles. First street makes a slight incline near Mokena St., and the hedge fence around Rev. Gody's home obstructed the view from the south.

At the time Mr. Schmaedeke was going east on First St., Mr. Jack Schaub, of Mokena, was going north on Mokena St. Schmaedeke, driving a new Plymouth car, collided with Schaub hitting his car squarely on the side. The impact threw Mr. Schaub away from the wheel over to the right side of his car. He was taken to the office of Dr. M. J. Buckley, at Frankfort, who took him to St. James hospital in Chicago Heights where x-rays revealed that he had three fractured ribs. Mr. Schaub's arm was bruised, and slowly improving. Mr. and Mrs. Schmaedeke were not injured in the accident, aside from suffering from shock.

Both cars were badly damaged. Louis Cooper Towing service of Orland towed the Schmaedeke car back to Orland.

Melvin Reiter On Architectural Tour Of Western Europe

Six countries of Western Europe will be visited by Melvin Reiter, architect, formerly of New Lenox, son of Mr. and Mrs. Raymond Reiter, of New Lenox on a ten week study tour of architecture and town planning. England, France, Switzerland, Italy, Austria and Germany will be among the countries visited. Both large cities and rural villages will be included in his itinerary. Mr. Reiter expects to return to New York June 2 on the Queen Elizabeth.

He will be associated on his return with the architectural firm of Bellman, Gillett and Richards, in Toledo, the oldest and largest firm in Ohio.

Mr. Reiter received his professional training at the University of Illinois, after having attended Joliet Catholic high school. He is being accompanied on his tour by his wife, the former Berle Garrett of Dowagiac, Mich.

The new building will be 14,500 square feet in area, but it is designed so that it can easily be expanded. All four walls are "curtain walls", which means they are not used for roof support. The new building does not replace either of the company's two existing plants in Chicago, but rather adds to the total productive capacity. Eventually, as business conditions permit, the management of Andrew Corporation plans to withdraw from Chicago and expand in Orland Park, until the entire operation is housed at the Orland Park site.

The company catalog lists a wide variety of devices for launching a radio wave into space. The company specializes in antennas, air dielectric coaxial cables, antenna tunnel equipment and other components relating to antenna systems generally. In the military field Andrew Corp. has developed antennas ranging in frequency from 15 KC to 32,000 MC, some of which are too large to be shipped on a freight car.

The Victor J. Andrew Co. was predecessor of the present Andrew Corporation. It was headed by Victor J. Andrew, engineer, physicist and inventor, who started in business in 1932 in the basement of a rented bungalow near Chicago's Midway airport.

Business was far from booming during the depression years but with the outbreak of World War II sales volume advanced and the business was moved into a 12,000 square foot garage building at 363 East 75th St. where the main offices are still located.

MRS. MUNSON REPORTS ON RED CROSS DRIVE

Mrs. David Munson chairman for the recent Red Cross fund drive, at Frankfort, reports that \$549.35 was collected this year in her area which includes Lincoln Estates.

Mrs. Munson is most grateful to all workers who assisted her in this drive.

LINCOLN ESTATE START MEMOR'L MEMORIAL AT HONOR ROLL

NB Hold Memorial 1-24 GL Services will be held Memorial Day, April 30, at the Honor Roll plot on Route 30 and 80th ave., in Lincoln Estates, starting at 1 p.m. Participating in the services will be the Drum and Bugle Corps of William Martin Post VFW 725, Mokena.

The ceremony is being sponsored by the citizens of Lincoln Estates, in memory of two soldiers who made the supreme sacrifice since World War II, one by the name of Hendrickson and the other Corp. Joseph Highley, who was killed in Korea.

The ceremony will be in recognition of the two names that have been added to the plaque since the ones inscribed after World War II. Citizens are requested to meet at the Anr Rutledge school and march a short distance to the plaque.

Legion to Hold Memorial Day Dance

Bobzin-Swinford Post 1098 of the American Legion will hold their 7th annual Memorial Day dance at Frankfort Grove, on Route 45, Saturday May 30. The grove is one half mile north of Route 30. A fine orchestra has been engaged and every preparation has been made for an enjoyable time for all who attend. Dancing will be from 9 p.m. until 1 a.m. Everybody is welcome.

The benediction will be given by Rev. William Riemann. Following the service, the line of march will be first to the Catholic churchyard, then to Pioneer Memorial cemetery, and thence to the VFW plot in St. John's cemetery. A volley will be fired at each cemetery and taps played.

In the line of March will be the colors and the color guard, VFW members and their Auxiliary, the Amvets and their Auxiliary, Mokena Boy Scouts and Girl Scouts, the Drum and Bugle Corps of Wm. Martin Post VFW, the school children and citizens who care to march along with the others.

ANDREW CORP. EXPANDING IN ORLAND PARK

The Andrew Corporation, of 363 E. 75th St., Chicago, manufacturers of transmission lines and antenna equipment, will start construction of a new manufacturing plant in Orland Park to the north of the present laboratory site in Orland. The ground breaking ceremony is scheduled for 10:30 a.m. Thursday, May 28. The present antenna-development laboratory is located on a 430 acre site in Orland Park. Here are large wooden buildings, testing platforms of various sizes, all made of timber, and a wooden mock-up of the Empire State building, a 100 ft. steel tower, and an abundance of laboratory equipment.

Scheduled completion for the Orland addition to the company is September 30. About 30 people will initially be employed in the new building. It will be used for the manufacture of antennas and coaxial cables for radio and television, and for military applications.

The new building will be 14,500 square feet in area, but it is designed so that it can easily be expanded. All four walls are "curtain walls", which means they are not used for roof support. The new building does not replace either of the company's two existing plants in Chicago, but rather adds to the total productive capacity. Memorial Day will be observed in Mokena Saturday morning, May 30, at 10 o'clock, in the VFW hall on Wolf road. These services to honor the veterans from this area who have given their lives to their country will be sponsored jointly by William Martin Post 725 VFW, and the 5 Point Amvet Post. Everyone in the area is invited and urged to attend the ceremonies.

It is but a trifle to give, taking out a few hours once a year in respect for those who have given their all for us. Therefore it is fitting that people should attend this service without being urged. It should be remembered that Memorial Day is not a day for picnicing, but a day of retrospect and devotion.

Father Freitag of St. Mary's Catholic church in Mokena will give the invocation, which will be followed by the pledge of allegiance to the flag. The audience will join in singing "America the Beautiful", and the school children will sing two selections, "Mighty Land" and "God Bless America", under the direction of Mrs. Elizabeth Capel of the public school and Sister Charlotte of St. Mary's parochial school.

Roll call will recall the honored dead.

Rev. Arthur Contois, pastor of the Lincoln Estates Baptist church, will be the speaker. Rev. Contois served as assistant to the chaplain for four years while in service.

The benediction will be given by Rev. William Riemann. Following the service, the line of march will be first to the Catholic churchyard, then to Pioneer Memorial cemetery, and thence to the VFW plot in St. John's cemetery. A volley will be fired at each cemetery and taps played.

In the line of March will be the colors and the color guard, VFW members and their Auxiliary, the Amvets and their Auxiliary, Mokena Boy Scouts and Girl Scouts, the Drum and Bugle Corps of Wm. Martin Post VFW, the school children and citizens who care to march along with the others.

At the close of the St. John rituals the procession will return to the VFW hall, where free sandwiches and pop will be served.

After the ceremony the Drum and Bugle Corps of Wm. Martin Post will go to Lincoln Estates to participate in the Memorial services there.

Give Preview of N. Lenox Garden Club Flower Show

At the meeting of the New Lenox Garden club, to be held in the Lion's Den June 4, there will be a dress rehearsal preview for their 1953 flower show. Mrs. E. T. Mitchell, of Romney Ind., an accredited Indiana flower show judge, will judge sample arrangements which are scheduled for the flower show. These arrangements will be furnished by Mrs. Verbon Kammerer, Mrs. Leon Frey, Mrs. Lloyd Berlin, Mrs. O. V. Rowe, Mrs. Harry Miner and Mrs. Joseph Gust. Mrs. Mitchell will also arrange an exhibition from one other class. The meeting is open to the public. The club will welcome all guests.

The New Lenox Garden club won the coveted Illinois State Garden club green ribbon three years ago for the most outstanding community flower show. This award can only be won every third year by any club.

Mrs. W. S. Morgan was president of the New Lenox group and general chairman for the flower show three years ago, and she is again president this year. Chairmen of the 1953 flower show are Mrs. Hugh L. Henry and Mrs. Fred Nusbaum er. They will be competing with flower shows in the entire state of Illinois.

All New Lenox and their friends in the surrounding area are wishing that the club will again win top prize. The theme of this year's show will be "country gardens." The show will be held in the Methodist camp grounds Thursday, June 11.

SCOUT NEWS

Ten Girl Scout neighborhood adult members were present at a gathering in the home of Mrs. Ernest Spannhake last Tuesday night. Dessert-coffee was served at 7:30, after which Mrs. Florence Schulmann of Joliet, gave a talk and demonstration of making place mats, and various handy gadgets. Those attending were the mesdames William Stoner, Kenneth Kirk, Algot Peterson, William Minuth, Paul Goldschmidt, Arthur Rowswell, Lyle Beadles, John Olson, and Spannhake.

Mrs. William Stoner and Mrs. Ernest Spannhake were flag-bearers at the area Girl Scout meeting held at the YWCA in Joliet Wednesday afternoon.

Girl Scout troop 90 met May 22 for their regular meeting at the Lions Den. Mrs. Ernest Spannhake and Mrs. William Stoner were hostesses. The girls practiced the flag ceremony and first aid and finished the work for their second class badge in first aid. They also extended an invitation to the Intermediate girls from the Manhattan troops with their leader Mrs. Ore Loucks, to attend the meeting here next week, and take part in their working for the requirement for the International Friendship part in the second class badge. It was decided to hold the next meeting Wednesday, May 27, instead of Friday as usual. Hostesses for that meeting were Jonelle Roberson, Barbara Anderson, Janet Santarelli, and JoAnn Sayers. The girls will get their badges they have earned during the past three months at the next and final meeting of the season. A decision was made not to meet during the summer months but to resume their meetings again after school starts in the fall. The meeting closed with benediction.—Dotte Jean Anderson secretary.

SLASH BALING TIME and COSTS... MAKE BETTER BALES

...with a JOHN DEERE Automatic Baler

On every count—speed, economy, and better work—the John Deere Automatic Baler is your best buy.

The fully-automatic John Deere speeds up work by handling the entire baling job in a fast, non-stop trip. It slashes baling costs to the core by cutting the baling crew to one man—the tractor operator... by reducing field time through greater capacity and field dependability. And, bales are better... for feeding or selling. They're wire-tied to stay tied in handling and over long hauls... sliced for easy feeding... of commercial size and shape to store compactly or find a ready market if you have hay to sell.

See us for complete details about the John Deere Automatic Baler.

NATIONAL TEA EXPANDS IN ST. LOUIS AREA

H. V. McNamara, president of C. F. Smith Co. and National Tea company, announces the acquisition of the Food Center Stores in St. Louis. Expansion policy will be started immediately in the St. Louis area. At the present time Food Center Stores are operating 28 stores in the vicinity of St. Louis, plus a packing plant.

This brings the total number of stores for the National Tea Company and its various divisions to 757, operating in the following nine states: Illinois, Indiana, Iowa, Michigan, Minnesota, North Dakota, South Dakota, Wisconsin and Missouri.

In addition, the St. Louis packing plant gives National three major meat packing operations, largest of which is in Denver, from which they obtain their U. S. government graded beef.

Sales volume for the National Tea Co. for 1952 was in excess of \$405,000 and the acquisition of the St. Louis Food Center Stores operation plus continued increases in sales on a scale equal to those gained for the year to date, should place National Tea's annual volume for this year in excess of \$500,000,000.

Frankfort-Mokena Home Bureau To Hold Family Nite

The Frankfort-Mokena Home Bureau met in the home of Mrs. Emil Groth, Friday, May 19, with 11 members and one guest present.

The major lesson, "shaping and making yeast rolls", was given and demonstrated by Mrs. Emil Groth, and also proved very delicious as all had a sample of the rolls and coffee at the close of the meeting.

The minor lesson a program planning was given by Mrs. Elmer Bormet. It was done by passing around printed sheets of various titles for future lessons, and each one was to check 11 she liked best.

The new members' tea will be held May 28 in the Willow Avenue Presbyterian church in Joliet. This tea will also serve as a farewell for Home Advisor Mrs. Betty Wingrove.

Mrs. Martin Medema of this Unit has been asked to help serve cookies. The unit will contribute three dozen cookies for the tea.

The June meeting, a district meeting, will be held in the Green Garden town hall June 23, at which time this unit will be hosted. On the committee are Mrs. Lawrence Kohl, Mrs. Wilbert Lauffer and Mrs. Ramon Westlund.

Mrs. Louis Holm, Mrs. Elmer Bormet and Mrs. George Swego were appointed as a nominating committee to choose members for officers for the coming year. The monthly family night party was held Saturday night, May 23, in the home of Mr. and Mrs. George Elsner in Frankfort.

Amvets Aux. News

The Auxiliary of the Five Point Post 183 met May 21, in the home of Mrs. Eli Sushka in Joliet. Mrs. Jake Barenz was assisting hostess. 18 members were present.

Arrangements have been made for the carnival to be held at Robinson's field in Mokena June 6, 7 and 8. The Auxiliary will have charge of the refreshment stand.

The Auxiliary was awarded district and state trophy for membership. Plans were made to sponsor a little girl from the Lutheran Home in Joliet. Some of the members have already entertained her in their home.

Mrs. Virginia Willy and Mrs. Jane Moore will be hostesses at the June meeting in Joliet. —Mrs. Chas. Floréy, Pub.

Toy Balloon From Homer Lands in New Buffalo, Mich.

When Jay LeFevres, aged 12 son of Mr. and Mrs. Scott LeFevres, 159th Street, Homer township, released an A&P store balloon about three weeks ago he enclosed a note with his address asking the finder to write to him. About a week later he received a letter from J. Kasper of New Buffalo, Mich., saying that the balloon had been found on the beach there.

Do you remember?

"The Disabled American Veterans ask that you remember them and their needs as one observance of Memorial Day."

When danger threatens from without . . . and war has been declared . . . we hear a great deal said about . . . our being unprepared . . . but from the town, the countryside . . . the mountain and the plain . . . young men have come, have marched and died . . . and saved us once again.

Men we have never seen or known . . . have fought for you and me . . . wherever freedom's flag has flown . . . upon the land or sea . . . and some will bear the wounds of war . . . until their lives are done . . . and yet are unremembered for . . . the victories they won.

Though monuments of bronze or stone . . . recount his stirring deeds . . . the glowing words, and words alone . . . will not supply his needs . . . but all too often we forget . . . the sacrifice he made . . . and that, to him, we owe a debt . . . that often goes unpaid.

Whether in verse or deathless prose . . . our slogan ought to be . . . "I'll do a little bit for those . . . who did so much for me."

Oliver Reeves, "A Rhyme A Day," The Atlanta Constitution, winner of Disabled American Veterans annual newspaper column award.

Wabash to Spend \$17,000,000 in '53 In Improvements

At the annual meeting of Shareholders of Wabash railroad company held in St. Louis May 19, President Atkinson stated that the ever increasing cost of doing business can be met only by making improvements to the property which will promote efficiency and economy.

The 1953 program for property improvements will require an expenditure of about \$17,000,000. Some \$4,600,000 will be expended on roadway property and \$12,400,000 for new equipment and improvements to existing equipment.

New equipment received or to be received in 1953 consists of 27 new diesel electric locomotives, 700 box cars, 85 covered hoppers and 200 gondolas.

Self-Priming- ONLY ONE MOVING PART

The Shallow Well Ejector is ideally suited for lifts of 25' or less and has capacities up to 600 GPH with a flexible range of pressures. Increased efficiency is gained by applying the "JET" principle of pumping. The pump is quiet in operation having only ONE MOVING PART—an IMPELLER. It requires no oiling, is self-priming and Ready-to-Plug-in.

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

A rapid survey reveals nation's independent businessmen applaud the administration's rapid first step scrapping controls.

But no one takes the stand that with the end of controls, it is all over but the shouting.

The White House announces return to "free enterprise" and Agriculture Secretary, Ezra Benson, announces return to law of supply and demand on farm prices.

But the big question is this: What is the current interpretation in administration circles of those terms?

Free enterprise is often destroyed by methods other than government edict.

Sometimes freedom of enterprise is held to be unrestricted license to build monopoly control of business.

Under Communism or Nazism monopoly business is a definite government policy. In other nations, such as France and Britain, when not in the clutch of a Socialist regime, official governmental policy has been neither pro or anti-monopoly. The result has been that unchecked monopoly has kept Europe in one economic crisis after another, alleviated only by war, or gifts of U. S. billions.

The U. S. has long standing anti-trust laws prohibiting the formation of monopolies. But because of lax enforcement of anti-trust laws, the U. S. teeters on the brink of complete monopoly control by default.

© National Federation of Independent Business

This trend has been fought vigorously by legislators of both parties, especially members of the Senate and House Small Business Committees.

U.S. Monopoly made it's greatest strides during World War II. While fighting a two front war, safeguards were breached.

Peace did not change the trend.

Then Korea brought the army of monopoly lobbyists swarming back to Washington. With World War II experience, they knew how to better rig controls to aid monopoly business. The result; when shortage of merchandise occurred, the independent retailer was hit first. Independent manufacturers secured less than 25% of the new defense contracts.

Here's the \$64 question: can the present administration really re-establish freedom of enterprise, or only strengthen the freedom of license.

Some write that General Motors not only gets the major share of government contracts, but is also a part of the Dupont empire currently facing an anti-trust suit in Federal Courts. They wonder about appointments of General Motors executives to top governmental posts.

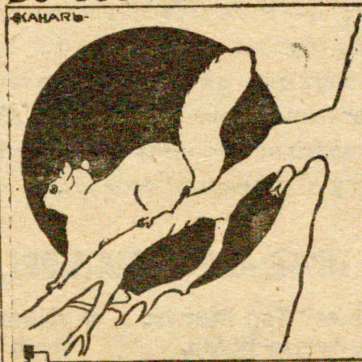

But majority of businessmen have attitude of watchful waiting, holding no one should be hanged before the trial.

And probably never before in American history has government been under such close observation by organized independent business as now.

There is a watching of straws in the wind. An example:

With all major oil companies boosting prices together many write the time has come to decide on the legality of oil operations under anti-trust laws.

DO YOU KNOW—

That in Ohio, 100 years ago there was a law requiring each free white man to deliver 100 squirrel scalps every year or pay a penalty of 3 dollars. Today the grey squirrel needs protection to prevent its extermination.

DO YOU KNOW—

That huge 2100 gallon wine casks that were once used in pre-Volstead days, now make ideal homes for summer colonists on the southern banks of Lake Erie. Each "cabin" has running water—the interior is divided into two rooms and has a sleeping porch built on the front.

DO YOU KNOW—

That the tomato is the only new salad ingredient that has been added in modern times. The Egyptians had their onions and garlic; Confucius was fond of cucumbers; the Persians liked lettuce and radishes while an ancient Chinese delicacy was water-cress and nasturtium leaves.

SCIENCE and your Health

THE VITAMIN FOR GROWTH by Science Features

It's almost an axiom that Americans are the best-fed people in the world. But being "best-fed" does not necessarily mean being "best-nourished" as a study of Cleveland schoolchildren recently demonstrated.

The study was conducted by Dr. Norman B. Wetzel, a world authority on child growth. Over a period of years, Dr. Wetzel kept a close check on the growth of a group of schoolchildren living in Shaker Heights, a well-to-do residential section of Cleveland.

He found that one out of every three children studied suffered from what he terms "growth failure." In 90 per cent of the cases, Dr. Wetzel was unable to pin down any direct cause, such as disease, for this failure. The children all came from homes where they received plenty of nourishing food.

How fast should a child grow? Dr. Wetzel says that each child has his own "proper" growth pattern, which can be predicted by means of a complicated chart. He adds that growth failure, once established "tends to persist and get worse," lowering physique, physical vigor and slowing down the progress of all growth and development—including scholastic.

In an attempt to combat this problem, Dr. Wetzel chose 20 children whose growth pattern had been measured over a period of years and who had been found to be suffering from growth failure. These children were given a tiny amount of vitamin B12 daily for 16 weeks. In that time, 16 of the children gained almost two months' extra growth. Four other children not given B12 showed no gain, and continued to lose ground.

Of special interest is the fact that parents and teachers of the children reported improved behavior, greater alertness, and better scholastic work after treatment with B12.

LINCOLNWOOD HILLS

Anne Halik & Dorothy Owen
5324 5233

The Home Owners association of Lincolnwood Hills met Saturday, May 23. It was the last meeting to be held this season and was fairly well attended. Election of officers was held with the following results: president, William Stoner; vice president, Ben Wahl; secretary, Mrs. Marcel Halik; treasurer, Mrs. Marcel Halik. The subdivision was sectioned off and the following representatives were elected: Section 1 Fred Cortright; Section 2, Robert Berls; Section 3, James Elmore. There will not be another general meeting until September. This was a pleasant and interesting meeting and the incoming officers have high hope for a successful year. They hope with a greater attendance many of the problems discussed for the betterment of our community can be re-acted upon. The past group of officers are to be congratulated on doing a fine job of organizing. It was suggested that the by-laws be revised by the new officers to be read and discussed at the first meeting in the fall. The subject of the school bus was brought to light. We hope that the bus service can be continued for a long time to come, in order to keep our children off the high ways. The suggestion has been made that a meeting of all parents be held in August to discuss the subject of bus transportation. Mr. Spannhake is to be congratulated for doing a fine job of conducting the election of officers. We also found out that he made a good MC.

Miss Darlene Wahl, daughter of Mr. and Mrs. Ben Wahl, will be graduating from St. Jude's school Sunday. Congratulations, Darlene.

Mrs. Walter Thode returned home from the hospital, May 19. Get well wishes from all.

Donald Korsgaard celebrated his 14th birthday, May 24. Happy birthday to Mr. William Malloy who celebrated his birthday May 23, by losing another Canasta game to Mrs. Malloy and Mrs. Owen. Dan was not too happy either. He was Bill's

partner. This of course, was nothing unusual.

Mr. and Mrs. Ernie Spannhake entertained Mr. and Mrs. Charles Barr and children from Park Forest Sunday.

Mr. and Mrs. Steve Madden and Elizabeth spent Saturday afternoon at Hawthorne Farms, Libertyville.

Mr. and Mrs. Dan Owen and children and Mrs. George Kranz visited the Morton Arboretum, Saturday afternoon.

The Schumhl school held their graduation exercises Thursday evening, May 21 at the graduation exercises at the Joliet Township high school. Those graduating were: Susan Bogatius, Donald Korsgaard, Richard Miller, James Warning, Andre Ledebuhr, Ralph Neer, Sally Buckland and Bruce Damerall.

The boys of Schumhl school traveled to Cherry Hill outside of Joliet, for a baseball game against the Cherry Hill school boys. The game was won by Cherry Hill, but a return match is planned and our boys promise a different score.

The field trip to the Museum of Science and Industry in Chicago was much enjoyed by the children. Don't forget the school picnic at Van Horn woods June 7th.

Mr. and Mrs. Ronald Crisman had as dinner guests in their new home Sunday, Mr. and Mrs. Orville Gerloff from Chicago.

Mrs. Edwin Meyers and children and Mrs. Wm. Malloy and children could not resist the nice day Monday and held a frankfurter banquet on open fire, someplace. How should we know where, we were not invited.

Children of the Maue school
will celebrate the last day of
the school year with a picnic at
Messengers woods Friday, May
29.

Five of Maue's young people
will participate in the graduation
exercises to be held in the
Orland Park school gymnasium
Thursday May 28, at 8 pm.
Those graduating are: Darrell
Erickson, Ronald Gale, Carol A.
Molitor, Richard Julius Tomas
Ronald Richard Gawlik. Ronald
Gawlik will play his accordion
as a part of the program.

Mrs. Helen Lembke, princi-
pal of Maue school and teacher
of grades 1-4, expects to spend
part of her summer vacation gar-
dening and canning. Her vaca-
tion has not been completely
planned.

Mrs. William Brown, teacher
of grades 5-8 at Maue, and her
husband, teacher of science at
Orland-Palos high school, and
their son Roger, are planning a
trip to the Black Hills and Yel-
lowstone Park this summer vaca-
tion. They also plan to visit rel-
atives in Casper, Wyo. On the re-
turn trip they will stop at a
Wisconsin lake resort for fishing
and boating.

The total sales from the mag-
azine drive sponsored by the
Maue upper grades Achieve-
ment club last month totaled
\$131.80. The school's profits
were \$43.24.

Maue school children enjoy a
trip to the Seven-Up plant in
Joliet Friday. They saw how
this popular drink is made and
bottled, and how the bottles
are washed. A generous manage-
ment provided the youngsters
with all the Seven Up floats
they could eat.

The regular monthly meeting
of the Maue PTA was held at
Maue school May 13 at 8 pm.
Officers for the next year were
installed.

They are: Mrs. Chester Wil-
liams, president; Mrs. Jos. Al-
berts, first vice president and in
charge of programs; Mrs. Har-
wood Stellwagen, second vice
president and in charge of mem-
bership; Mrs. Helen Lembke
third vice president; Mrs. C.
Henning, secretary; Mrs. Henry
Cripps, treasurer.

Ann Marie Lehi, Marilyn
Weingartner, Marilyn Yunker
Doris Schuldt and Phyllis Bet-
tenhausen, girls from the Or-
land-Palos high school Home-
making department, discus-
sed the "Career" project in which
they had received a first place
award.

A film Laying the Telephone

Mrs. C. Henning attended a
meeting of the new Southwest-
ern area council of the PTA at
the Harding school in Posen
May 15. New officers were in-
stalled and instruction in par-
liamentary procedure given.

Marjorie Cole will graduate
from the Orland-Palos high
school Friday, May 29. Mar-
jorie's high school record has
been outstanding. Her name has
frequently appeared on the hon-
orable mention lists and she is
a member of the National Hon-
or society. She is on the staff of
the school newspaper, the Reflector.
Last fall she wrote the prize
winning essay in a contest in
which the high school and grade
school children of Orland town-
ship competed. The topic of her
essay was "What America
means to me." She is also a stu-
dent director of the dramatic
club. Marjorie expects to enter
the Illinois State Teachers col-
lege and plans to major in social
science.

Members of the Orland town-
ship elementary school board
met in the Orland school, May
19 at 8 pm. to discuss with
David J. Heffernan, assistant to
the Cook county superintendent
of schools, current school legis-
lation and teacher shortages.
What building developments in
this area mean in terms of
school population and problems
for the local district were also
discussed.

Mr. and Mrs. Chester Williams
were guests of Mr. and Mrs.
Louis Statkus of Chicago, Sun-
day. While there they attended
the lapidary club rock show at
Gage Park where Mr. and Mrs.
Statkus' prize winning rock col-
lection of last year was on dis-
play. This interesting rock col-
lection was displayed at one of
the Maue PTA meetings this
past year.

Dr. M. L. Lindsay and F. N.
Campbell of Chicago were sup-
per guests Sunday of the Melvin
Perzees.

Mr. and Mrs. Louis Froml
and daughter, Mr. and Mrs.
Steve Kovar and family of Lom-
bard spent Saturday evening at
the home of Mr. and Mrs. Wil-
liam Satek playing canasta.

Mr. and Mrs. Louis Froml
will celebrate their tenth wed-
ding anniversary with a two
weeks fishing trip to Hayward
Wis.

Mr. and Mrs. Warren Ryland-
er and son, Leif, of Richton
Park, and Mr. and Mrs. William
Hallberg of Chicago were vis-
itors at the home of the Charles
Henning family Sunday.

The Owen Maue family cele-
brated Kay Maue's tenth birth-
day with a trip to the Museum
of Science and Industry and the
Municipal airport in Chicago
Sunday.

The William Perzee family at-
tended the christening of Rich-
ard Wayne Kelley, infant son of
Mr. and Mrs. Laverne Kelley, at
the Gano Reformed church in
Chicago Sunday. Afterwards
they attended a dinner in hon-
or of the occasion at the Kelley
home.

Mr. and Mrs. Jerry Koets and
Mr. and Mrs. Sam Perzee of
Danforth, and Mrs. Vence Lewis
of Warroad, Minn., were visitors
at the Melvin Perzee home on
Wednesday.

After weeks of conspiring
friends and relatives of Mr. and
Mrs. William Felsch gathered at
their home to surprise him with
a birthday party. An evening of
Canasta was enjoyed after
which Mrs. Felsch served a fine
lunch which was followed with
a birthday cake that had been
especially ordered for the occa-
sion. Guests included their son
Mr. and Mrs. Henry Felsch and
daughters, Patsy and Sandra.
Mr. and Mrs. Joe Peloguin and
daughters, Nancy and Carol; Mr.
and Mrs. Aaron Simrell; Mr.
and Mrs. Edward Mrosek and
children Carla and Edward.

Nancy Piper spent Saturday
night with Iona Lou Janulis
Iona's mother, Mrs. Janulis, says
the girls caught up with all the
back gossip since last October.

Mr. Breclaw met with near
tragedy when his new car
caught on fire after being
bumped by a truck. Mr. Bre-
claw was in the hospital for a
few days but has returned home.

For a few days last week
Aaron Simrell had one of the
reddest faces in Alpine. Meas-
les caught up with him, too. First
indication that all was not well
with Mr. Simrell appeared at a
meeting of the school board
Monday of last week. The pos-
sibility of complications gives
Mr. Kneiriem and Mr. Mrosek
reason to be a bit apprehensive.
Steve Turay seems to be suf-
fering one humiliation after
another. First it was the bing-
ing up he received when he um-
pired a ball game for the Al-
pine boys. Now it's the measles.
Mrs. Charles Alberts says she
doesn't dare laugh at poor Mr.
Turay because she might be
next.

Alpine 4H News

The Alpine girls met at 1:15
pm. May 16 at Mrs. Harwood
Stellwagen's. From there the
club went to Messenger Woods
for a picnic. After a hike in the
woods the meeting came to or-
der at the shelter. Carol Mol-
itor, president, opened the meet-
ing with the flag salute. Then
the club surprised Mrs. Stell-

wagen by staging "Happy Birth-
day" to her. Iona Lou Janulis
and Carol Molitor were elected
as delegates to the meeting held
at the farm bureau the second
Tuesday of every month. There
were two new members, San-
dra and Patsy Felsch. The trav-
eling basket was opened and its
contents counted. A total of
\$10.59 was found, \$5.00 of this
will go to the agriculture club
to be used towards the camp
fund and \$5.00 will go to the
home economics club to be used
towards the camp fund.

The remaining 59 cents went
into Alpine Girls own treasury.

When the meeting was over a
weenie roast was enjoyed. Car-
la Mrosek was in charge of gam-
es. Kay Maue and Sharon Lau-
fer served.—Sharon Lauffer,
club reporter.

The measles have been quite
popular in Mrs. Lembke's room
the past few weeks. The latest
victims are Ann Lembke, Melvin
Perzee, and Bradley Gale.

The 3rd and 4th grade science
class at the Maue school have
been busy learning how to make
ageratum flower cuttings. They
have just planted 5 of the new
plants, which will be transferred
to their gardens soon.

All enjoyed immensely this
school children's garden project of
The Chicago Horticultural Soci-
ety and Garden Center in con-
junction with the ational Broad-
casting Co. and radio station
WMAQ. Their original flower
flower plant and kit was provid-
ed by Amling's Flowerland, Chi-
cago's largest Nursery and Green
house at Maywood, Ill.

Grades 1-3 of the Maue school
and their teachers, Mrs. Lembke
and Mrs. Brown enjoyed a field
trip Friday to Joyce 7-up plant
in Joliet. After a very educa-
tional tour of the plant all enjoyed
7-up floats. The ice cream was
furnished by Meadow Gold
Dairy of Joliet. The trip was
made a huge success by the fol-
lowing parents who drove cars.

WORK HARD TO RAISE \$800,000 FOR CHANNEL 11

Thousands of volunteers thru out the Chicagoland area are working at top speed this week climaxing the drive to raise \$800,000 to establish a non-commercial educational television station on Channel 11.

More than 100 communities have been organized in Chicago and within a 60 mile radius of Chicago as part of the communities division which is seeking \$300,000 of the over-all goal. The remaining \$500,000 is expected to be collected from foundations, corporations and special gifts divisions.

George Jennings, director of radio and television for the Chicago board of education is chairman of the communities campaign in Chicago, and Samuel A. Lynde of Winnetka has charge of the campaign in the outlying areas. The over-all campaign is under the leadership of Edward L. Ryerson, chairman of the executive committee of the Inland Steel company.

Mr. Ryerson pointed out that the Federal Communications commission has set June 2 as the deadline for receipt of applications for non-commercial educational television rights.

Mr. Ryerson said, "This is a fine opportunity for the people of the Chicagoland area to show their sincerity in desiring the finest in educational features brought into their homes by subscribing generously to the channel 11 fund. Tentative program-

ing based on preliminary suggestions made to the Chicago Educational Television association by the 20 sponsoring organizations show a 30 hour, six-day week schedule. Programs for all age groups are planned with in-school programs for children during the day time hours and adult educational features scheduled for hours when the largest adults audience can benefit.

"The great possibilities of such a proposed Channel 11 television station should inspire everyone to get behind this drive for funds and show the rest of the country that the Chicagoland area is still the leader in culture and intends to continue so. To assure our position, generous contributions are needed to complete this task," he added.

Contributions from the Tinley Park area are being accepted by W. F. Fierke, chairman of the Tinley Park chapter Channel 11. Said contributions should be in the mail for delivery no later than May 29. During the first week of the local campaign contributions have been sent in by many people, however, there are still a great number who have not made their contribution to Channel 11, and they are urged to take immediate action so that Tinley Park might aid in securing Channel 11 for educational purposes.

Frankfort Man Gets JCHS Band Office

At the last meeting of the Band Parents Association of Joliet Catholic high school, Joseph Henneberry, of 12 North Smith street, Frankfort, was elected treasurer of the Association for 1953-54.

Mr. Henneberry has been active in musical circles for many years. Before moving to Frankfort, he was Manager of Homewood Community Concerts.

An alumnus of Notre Dame University, he organized the Notre Dame Alumni Glee club of Chicago, several years ago. Brian Henneberry, son of Mr. and Mrs. Joseph Henneberry, is in the clarinet section of the band. He was formerly a member of the Central School Orchestra of Homewood, and the Homewood Village Band.

What Never Fails

Lesson for May 31, 1953

WHAT do you wish for, most of all? What do you pray for, most of all? You wish and pray for many things, and this is right; but what is above all? If you take your New Testament seriously, there can be no question about that. You will want above all the thing that is worth more than everything else; you will not be content to ask for less than the greatest thing in the world. You will ask God for love.

Better Than Miracles

Remember, when St. Paul or Jesus talked about love they were not thinking about the thing you hear about from the jukebox at the corner drugstore. They were not thinking about the sort of thing that comes and goes and leaves headaches and heartaches behind. They were not thinking of the kind of love that wants to get, but of the love that wants to give. They meant the kind of love God has and is: the kind of love that transforms the persons to whom it is given. The kind of love that Jesus lived out there in Galilee, the kind that can be lived on any street in the world. The kind of love the Cross stands for. This kind of love, Paul said, is better than miracles. Indeed, miracles are no account without it. When Paul talks of "speaking with the tongues of men and of angels," he is not meaning eloquence, oratory. He means (as you can see from I Cor. Chap. 12) the miraculous "gift" of tongues which the Corinthian church knew. Some of the members there could speak with tongues, some couldn't. Those that could, despised those that couldn't. That's not the point, Paul means to say. The measure of a Christian is not miracles, but love.

Dr. Foreman

Love is also better than something else we all admire and would like to have as much of as possible. It is better and mightier than mental genius. The world around us is full of mysteries. A child can ask questions the wise cannot answer. If I only knew! is a thought that has occurred to every one. Each of us thinks he would be happier if he knew all the answers. We feel sure we could do more and be more if our minds were even just a little sharper than they are. But Paul reminds us that even if our prayers for insight and wisdom were all answered, even if we had such wisdom that not a single question would be left unanswered (not that any such thing is likely to happen soon!), we should still amount to precisely nothing, if we did not have love. Paul does not say that mental power is a bad thing; he did not say that miracles are no good. What he does say is that miracles minus love, or mind minus love, will not fulfill God's dreams, nor ours.

Mightier Than the Mind

Love is also better than something else we all admire and would like to have as much of as possible. It is better and mightier than mental genius. The world around us is full of mysteries. A child can ask questions the wise cannot answer. If I only knew! is a thought that has occurred to every one. Each of us thinks he would be happier if he knew all the answers. We feel sure we could do more and be more if our minds were even just a little sharper than they are. But Paul reminds us that even if our prayers for insight and wisdom were all answered, even if we had such wisdom that not a single question would be left unanswered (not that any such thing is likely to happen soon!), we should still amount to precisely nothing, if we did not have love. Paul does not say that mental power is a bad thing; he did not say that miracles are no good. What he does say is that miracles minus love, or mind minus love, will not fulfill God's dreams, nor ours.

Nobler Than Martyrdom

The Christian church has always honored her martyrs, the men and women and children too who have died rather than give up their faith. We are inclined to put martyrs up in the highest bracket of the saints, partly because most of us are sadly aware that we are not the stuff of which martyrs are made. But Paul pulls us up short. Even to be burned at the stake for a righteous cause is still nothing at all, if there is no love behind and in the action.

Love Is the Miracle

Two hesitations cloud the mind. Is it not selfish to ask for the greatest thing in the world? Should we not rather be contented with lesser gifts? The answer to this hesitation is that this divine kind of love is precisely Unselfishness itself. To ask for the grace of unselfishness is surely no selfish prayer. Another hesitation is this: Is not this divine thing, this thing that outlives and outlasts wisdom and miracles and martyrdoms—is not this too high for us? Is it not a miracle itself, so rare we should not know what to do with it if we had it? Well, it is rare indeed, and with the exception of our Lord there was never a life that shone with it from beginning to end. Yet we who have known Christian homes and Christian people have lived in its light. It is a miracle indeed; but it is not one to lift us above the clouds, it is one to keep our feet on the ground.

Awarded 4-Year Scholarship to Mokena Boy

Robert L. Jackson, director of admissions at Oberlin College, Ohio, announces the award of scholarships to 123 high school seniors who plan to enroll at Oberlin in September.

Gerald Lehmann, of Mokena has been awarded a four-year scholarship worth \$2400. Lehman, a senior in the Joliet Twp high school, is the son of Mr. and Mrs. Fred G. Lehmann, Mokena.

Oberlin, first coeducational college, offers scholarships to young men and women of outstanding character and leadership. Participation in extracurricular activities, as well as scholastic standing, is typical of these students. The emphasis is on all around citizenship in school and community.

Break Ground for Largest Revolving Globe in World

What does our earth look like to a spectator five thousand miles out in space? Within two years visitors to the college campus of Babson Institute in Wellesley, Mass. will be able to see for themselves what it looks like. "By then," according to an announcement made today by Dr. Edward B. Hinkley, president of the college, "work will have been completed on the world's largest revolving globe of the world. Every continent, country, and significant topographical feature will be accurately shown on the great steel planet. The globe, having a diameter of about thirty feet, will represent the world on a scale of approximately twenty-four miles to the inch. Weighing 21 tons, the steel shell will be balanced on a six ton shaft on a movable ten-ton carriage on top of a concrete foundation designed to carry a load of seventy-five tons. Electric motors will rotate the world on its axis and revolve it on its carriage so as to represent accurately the passage of day and night and the successive seasons of the year. Floodlights will represent sunlight; ultra violet rays (black light) will permit the use of special effects. Three hundred major geographical points of interest will be illustrated.

The globe will be housed in a new auditorium to be constructed on the 400 acre college campus. In this building, using the terrestrial globe as a mammoth visual education aid, will be held such Babson Institute classes as those dealing with "World Economics and U. S. Business," "Future of Private and Corporate Investments Abroad," and "Importance of World Wars." It is expected, also, that future geographical, geo-political, military, labor-management and economic congresses will convene here. Within the corner stone will be deposited copies of the 400 newspapers having Mr. Babson's weekly column—same to be opened up 100 years hence.

At four o'clock Memorial Day May 30, ground breaking ceremonies will be held on the campus of Babson Institute in Wellesley, Mass. Following introductory remarks by Mr. Roger W. Babson, donor of the Babson World Globe, the principal address of the afternoon will be delivered by United States Senator (from Massachusetts). Leverett Saltonstall.

The guest list includes such distinguished representatives of the nation and the commonwealth as the Honorable Joseph W. Martin, Jr., speaker of the House of Representatives; Senator John F. Kennedy; Representatives Harold D. Donohue, Angier L. Goodwin; Thomas J. Lane; John W. McCormack; Thomas O'Neill; Richard B. Wigglesworth; Lt. Gov. Sumner G. Whittier; Major Gen. George A. for safety pledges by school safety patrol members to cut down the national toll of traffic accidents.

Hayes, who is the pioneer founder of the patrol movement proposed to the American Automobile Association that the nation's 500,000 patrol members be enlisted as ambassadors of safety in a nation wide drive to bring their parents, families and neighbors to pledge themselves to walk and drive carefully.

Copies of the pledge, Hayes announced, will be distributed to 50,000 patrol members in northern Illinois and Indiana before school closes for summer vacation. Patrol members will be urged to obtain signatures as a summer safety project.

The program, Hayes pointed out, is an effort to extend to other age groups the life-saving accomplishments wrought by the school safety patrols since their origin in Chicago during 1922.

The death toll of elementary age children dropped from 3100 in 1922 to 2400 in 1951. Had other age groups experienced the same reduction since 1922, Hayes said, the national traffic toll last year would have been over 10,000 rather than over 35,000.

The proposed pledge to be distributed by patrol members includes this program:

As pedestrians—Observe traffic signals, cross at corners only be extra alert at night; avoid stepping from between parked cars.

As drivers—Observe courtesy at all times; obey all traffic rules; set good example for other drivers; use caution at school crossings and playgrounds.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

The campaign to repeal U. S. tariff laws to permit a flood of cheap foreign imports takes on more and more an Alice in Wonderland aspect.

Proponents of tariff repeals keep repeating that U. S. tariff laws are the only obstacle in the way of a world-wide free trade.

Shortly, both Britishers and Canadians before Westminster Abbey will voice a common enthusiasm by joining in the traditional "God Save the Queen."

And while they have not set the words to music, the Englishman and his Canadian cousin will also be chanting sotto voce "Let's keep up our splendid trade between us, as long as Yankee taxpayers foot the bill."

Anyone wishing to see the silliness behind the drive to build world prosperity by scuttling U. S. tariff, needs only to look at records of Mutual Security Agency which succeeded Marshall Plan as the open-hearted giver of U. S. tax dollars to Europe.

Here is just one example that happened in the space of 33 days. English industry needs metals and oil. Her dominion, Canada, and possession Trinidad produces these items. Seemingly, it is a simple matter for the members of one family to sit down and work out an agreement to trade.

But that desire to buy and sell was not solved in this classic manner.

Instead, MSA allocated \$52.5 million to the British.

© National Federation of Independent Business

140,000 to buy non-ferrous metals such as lead, zinc, and aluminum in Canada, and oil in Trinidad, to be shipped to England.

Undoubtedly, in time these figures will appear in published reports as a example of growing trade between England and her dominions and possessions. But one point will be neglected.

That point will be this trade was only made possible by U. S. paying the bill.

Similar arrangements are completed practically every day.

And almost every day England cries the world cannot exist without free trade, and that free trade cannot exist with U. S. tariff laws protecting the American market.

England has yet to demonstrate that it can work out any free trade arrangements within her own family.

Yet, despite the published facts, a veil of secrecy appears over them in Washington. Congress must take some action on tariff matters by June 30, yet no one in Congress has arisen to point out the fallacy of free trade as illustrated by the trade relations in the British Empire.

There is some thought that fear accounts for failure to bring out these facts.

It is known that England traded with Red China, even after Korea started. Some feel there is a possibility timidity exists about even starting an exploration of the subject, for fear it will start a chain reaction leading to disclosures that American taxpayers paid for raw materials from British dominions which England fabricated into materials used by the Reds in Korea to kill American troops, thus presenting U. S. public with the major shock of the century.

for the fun I get out of it.

Alice Klickner. I like all sports, but I believe golf is the one I like best. I never thought I'd be interested, and just started playing last year, but I really enjoy it, and hope to be able to improve my score. It's a nice way to get out in the open and acquire a good tan. Swimming, badminton, bowling are also great favorites of mine.

BABSON SAYS—

Babson Park, Mass., May 28 How heavily, without danger can you as an individual go into debt? How large a mortgage can you handle and at the same time make installment payments on a new car, TV, and a home freezer? These are good times the best ever, we are told. Yet in some sections six times as many persons are failing to meet their installment payments on time today as failed in normal times. How are you fixed?

Are You Rolling in Money?
The U. S. Department of Commerce reported record personal earnings of \$268.3 billions for 1952—a 5½% jump over 1951. The pay rolls of private industry accounted for much of the increase. Government pay rolls, which included the military, were up 13%. The report implies that almost everybody but the farmer should be rolling in money.

The all-time income high for farmers came in 1947 with a net of \$16.7 billions. 1950 dropped about 25% from 1947. But Korea boosted output and prices and the net for the farmer moved up again to a little better than \$14 billions for 1951. 1952 dropped back slightly from 1951 and a further 5% drop in net income is expected for 1953. Perhaps the farmer is not rolling in money.

Wageworkers are Prosperous
Are you one of those whose income has increased? Are you better off today than ever before? You're not! Let me tell you why. A short time ago I saw an analysis of figures on national income. Here's what I found. In 1950, the top 20% of our wage earners held 93% of our savings, leaving 80% of the population with only 7% of the national savings.

We are gleeful about our prosperity and the wageworkers should be very thankful. The average earnings of the industrial worker in this multi billion income year of 1953 are \$72 per week, which is about \$10 per capita higher than in 1951. This sounds like almost everybody is well off. Yet to hear labor union officials talk you would think wage workers are not enjoying their share of the prosperity. Statistics show that these labor leaders are not telling the truth.

Are You Spending Too Much?
If you cannot meet all of your monthly bills on time, including your installment payments, you should make out a careful budget and follow it. You ought now to get yourself back on a pay as you go basis in addition to building up your liquid assets—that is, savings accounts and Government bonds. We must avoid a too large national consumer debt, now \$25.7 billions. Our installment credit accounts alone are now reaching \$19.3 billions of this debt.

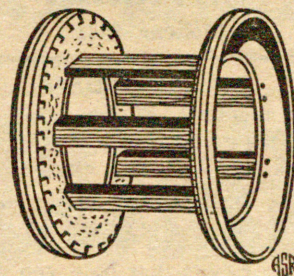

One national economic problem at the moment is that our consumer debt has been rising faster than has the amount of money that people have available to spend. People cannot continue to go further into debt each year without either increasing their production and earnings or sooner or later experiencing real financial difficulties.

Are You Saving Enough?
In these good times it's a shock to discover that the median liquid asset holdings of all U. S. families (money readily available, savings accounts, stocks and bonds) have decreased 50%, from \$470 in 1947 to \$230 in 1952.

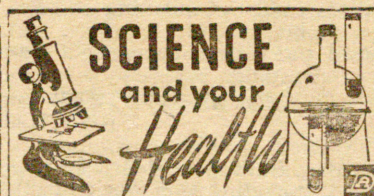

Many economists received quite a jolt a short time ago when the Bureau of Labor Statistics announced the results of the financial condition of some 12,000 families it studied in 1950. Its preliminary report read as if the average family was spending that year \$200 more than it was taking in. This does not give the complete story; but the situation is serious and should be corrected either by spending less or by producing more.

Let Us All Produce More
Surely our standard of living has increased remarkably in the last decade; people have more refrigerators, appliances, automobiles and homes. We have however, as a nation, lacked the moral stamina to work harder and longer to deserve these blessings and have reserves for an emergency. Now is the time to save more. Also, try to pay more down on anything which you do buy on installments or other forms of credit.

Barbed Wire Reel

It's easy to make this reel for barbed wire from an old automobile tire and five 18-inch two by fours. Just split the casing around the center so it is in two equal halves. Then with the outside of the two halves towards the center, space the two by fours, and nail them to the casings through the concave sides, as shown. This reel, used by an Illinois farmer, will roll easily on the ground to wind, or unwind, barbed wire.

STOPPING POLIO

by Science Features

The chances are you have had polio. Very likely the attack was an extremely mild one—so mild you didn't notice it. But because it occurred you probably will never suffer the paralyzing form of the disease. You have become naturally immune.

And because the human body can build up immunity to the polio virus, scientists today believe they are on the verge of conquering this crippling disease. Latest news in the fight against infantile paralysis is the development of a vaccine effective against all three types of polio virus.

The vaccine was developed by Dr. Jonas E. Salk of the University of Pittsburgh. It has been tested on 161 patients—the largest number ever to be inoculated against polio. Artificial immunity conferred by the vaccine lasted at least four to five months. There were no unpleasant side-effects.

However, Dr. Salk cautions that his vaccine is not ready for immediate nation-wide use. Many field tests must be conducted to confirm the experimental findings before scientists will be able to use it against outbreaks of polio such as occurred last summer. In addition, several production problems must be ironed out.

The fact remains that this vaccine is the best so far discovered. Last summer's experiments with gamma globulin proved that paralyzing polio can be temporarily prevented in epidemic areas. GG was science's first victory against polio—and the Salk vaccine may prove to be the final one.

When that day comes the "paralysis" will have been taken out of polio.

IN MEMORIAM

In memory of our deceased members. Time may pass and bring its changes, Fresh with every coming year; But your memory will be cherished In the hearts that hold you dear. MOKENA SUNBEAM CAMP 6054, Royal Neighbors of America.

IN MEMORIAM

LEHNERT, Albert.—In loving memory of our son and brother who passed away three years ago May 26. Not now, but in the coming years, It may be in the better land, We'll read the meaning of our tears, And there, sometime, we'll understand. MOTHER, FATHER and BROTHER

Mrs. Ruth Schneider of Chicago is spending this week in the home of her brother, Mr. and Mrs. Hugo Niethammer. Richard Kreml, son of Mr. and Mrs. George Kreml and who is serving with the armed forces, in Korea, has been promoted to private first class.

Mr. and Mrs. Gordon Doctor entertained in their home Sunday to honor the second birthday of their daughter Dawn. Present were the grandparents, Mr. and Mrs. Ray Doctor of Orland and William Lowe, Mokena. Other guests were Wendall Doctor, Mr. and Mrs. Harold Shroats and children and Mrs. Elizabeth Shroats of Orland; also Mrs. Luella Marti, and Mr. and Mrs. L. Leyerle of Mokena. A lovely luncheon was served which included a birthday cake.

Paul Lembke, formerly of the Alpine Orchards, and his brother Walter of Chicago returned Sunday from a two weeks vacation at Hot Springs, Ark.

Beth Doctor, six year old daughter of Mr. and Mrs. Gordon Doctor, underwent a tonsilectomy in Silver Cross hospital Tuesday morning.

Mr. and Mrs. A. J. Schaefer of Detroit, Mich., arrived at the home of his sister, Mrs. L. Oliver and his niece, Mr. and Mrs. T. Rydell and family. They will remain here for a week. Mrs. Oliver makes her home with her daughter, the Rydells at 492nd near Wolf road.

Glenn Immekus of 192nd street and Ray Morris of 194th street, both of Sunny Acres, are spending two weeks at the Great Lakes naval station in the navy reserve. Glenn is employed at the Hunter foundry at Mokena and Ray will graduate from the Chicago vocational high school in June.

The infant daughter of Mr. and Mrs. Kenneth Sherwood was baptised in St. John's Evangelical church Sunday morning. Sponsors were Mr. and Mrs. Russell Anderson. The name given was Adele Randall. A dinner was served in their home to 22 guests. Out of town guests were Mrs. William Sherwood, Melbourne, Fla., Mr. and Mrs. Arthur Dodge, Mr. and Mrs. E. E. Cherry and Mrs. Virginia Shanall of Chicago.

HOMER

Lockport, R. 1
Telephone Lockport 1387M

Homer young people who will receive high school diplomas at the LTHS June 1 are John Cleveland, Sylvester Fisch, Gloria Reiter, Vivian Werth, and Augusta Ziesemer. Others who are well known in the community are Marlene Eberhardt Charlene Jensen, James Rasmussen, Beverly Rapson and Jean Rowley.

Mrs. F. J. Paddock attended the annual spring luncheon of Will County King's Daughters in Joliet last Tuesday noon.

Mrs. David Bier attended the meeting of her church Mission group in Joliet Thursday.

The final report of the recent Red Cross drive in Will county shows that the entire county went well over the top of its quota and Homer township did it's part by exceeding the \$300 goal which was set for it by \$72.25. Mrs. David Bier, the Homer chairman, believes this fine showing is due to the fact that so many people helped with the collecting. Assisting Mrs. Bier were Mesdames John Hasibar, Walter Kolar, B. D. Brankey, Clyde Zimmer; also Mesdames William Voltarel, Chester Kennedy, Edward Hallis, Earl Olsen, Walton Smith, Louis Henson, Ira Anderson, Bruno Petrulis, and Wolter Haley.

The auction held at the town hall Saturday night for the benefit of the organ fund of Homer church, was well patronized and approximately \$500 was added to the fund as a result. Also there was lots of fun. Rev. Jack Sandford was the

visiting speaker at Homer church Sunday morning as Rev. Nicholson was unable to be present. Mr. and Mrs. Sandford and their two small children were dinner guests in the Reed Burch home. The pupils and teacher, Mrs. Myrtle Kirchmer, of Ross school also several mothers of the district visited Field Museum and the Chicago airport last Tuesday Mrs. Scott LeFevre, Mrs. Fred Gebert, Mrs. Christel Koehler and Mrs. E. Platt were the chaperoning mothers.

Mr. and Mrs. Jake Kolar of Lemont and Mrs. Jacob Freehauf of Plainfield were Sunday afternoon visitors in the Peter Weis home.

Relatives from here attended the wedding of Miss Lavonne Carroll to Edward Sloan of Chicago. The marriage was solemnized Saturday, May 23 at 11 o'clock in the St. Catherine of Siena church in Chicago. Lavonne is the daughter of Mr. and Mrs. Frank Carroll of here. Frank Milne was a Chicago business visitor Friday.

At the Marley-Homer memorial service which was held in the Homer church Sunday evening, Rev. Herschel Aseltine of Marley was the interesting guest speaker. Rev. H. M. Finley presided, and musical numbers were given by the choirs from each church as well as special numbers by several young people of the community. Committees were appointed to place flags on all soldiers graves in the township and the committee to arrange for next year's program consists of Mr. and Mrs. Robert Sproat, Mr. and Mrs. George Welter and Mr. and Mrs. H. V. Drewes.

Barnett Cemetery Program

A memorial program will be given at Barnett cemetery Sunday afternoon, May 31, at 2 o'clock. Rev. H. M. Finley will give the main address. Members of the Taft grade school band and their director, John Leedom will participate as will several young people. If weather is inclement the program will be held in the Barnett school building nearby.

Vacation Bible School

Daily Vacation Bible school will begin the morning of June 8 at 9 o'clock, and continue each morning for two weeks in the Homer church; children of grade school age who have not registered and who wish to attend, should notify Mrs. H. V. Drewes or Mrs. Ira Anderson at once;

the school is fortunate in having Mrs. Lola Storm as director and teacher of the Junior High class this year.

HOMER CHURCH

Walter Boyce, Superintendent Sunday school and church services will begin at 9:45 a. m. as usual next Sunday.
